## Dear The Lounge,

I'm writing to tell you about a very horny experience I enjoyed on holiday recently. Over Christmas I went with my girlfriend to Dubai for some winter sun and we stayed on the ninth floor of a big hotel. All the rooms had a balcony out the front, and one morning I found myself sitting, enjoying the morning sun on our balcony, while my girlfriend had gone off for some spa treatments.

It was a lovely sunny day, and the view of the landscape from the balcony was spectacular – but not as spectacular as what I saw when I looked down at the balcony on the floor below, just to the left of where I was. Lying on a sun lounger was a gorgeous blonde babe, sunbathing topless!

This stunner must have been in her late twenties, tall and slim, with cropped blonde hair and fantastic tits – they must have been D or E cups – with small, dark nipples. From where she was, she couldn't see me but I had a perfect view of her as she lay there in her sunglasses and a thong, and nothing else! To make things even better, at that moment she reached for the sun cream and began rubbing it into those amazing breasts.

Needless to say, I felt that familiar stirring between my legs and, certain that she couldn't see me, I took off my shorts and began stroking my cock. With this gorgeous babe rubbing her lovely big tits for my viewing pleasure, I was hard in no time.

"Ooh, you naughty boy, you can go blind like

that you know!"

I nearly fell off my chair!

Without my realising it, the chambermaid had come into the room and was now standing in front of me with a great big smile on her face, having caught me red-handed!

"Oh shit," I said, trying to cover my stiff cock with my hands.

"I, er..." panic flashed in my eyes.

"Hang on, calm down," she replied. "I've seen it all before in this place, you know. Now what is it exactly that has had such a dramatic effect on you?"

She peered over the edge of the balcony,

"Oh, I see. Wow, she really is gorgeous isn't she? Look at those lovely big boobies, all glistening with oil. I can see why she made you feel like wanking. She's making me feel pretty horny, too!

I hope you don't mind if I join you, do you?"

Without waiting for an answer, this girl – she can't have been more than twenty – pulled up a chair next to me where she could see over the balcony, hitched her uniform skirt up around her waist, and began rubbing her pussy through her white cotton panties.

I was at a loss for words; my utter fear and shame at being caught red-handed, knocking one out in a hotel room had totally screwed with my head and my erection had flopped quickly. But now I was confronted by the sight of a complete stranger rubbing her cunt through her knickers in front of me and checking out the hot blonde below with the same enthusiasm I had displayed only a moment earlier. But within seconds my cock was rock hard again as I quickly overcame the embarrassment and realised what was happening. So, once again, I began wanking, only now I was alternating my view between watching the blonde beauty below and eyeing the masturbating maid next to me!

The chambermaid was quite plain looking, with shoulder length brown hair. Under her uniform I could make out that her tits were no more than a handful at most, but before long she had pulled her panties to one side and I could feast my eyes on her completely shaved, pink and by now very juicy snatch. I gazed at her beautiful cunt as she alternated between furiously rubbing her clit and sliding two sticky fingers into her hole, pumping

them in and out. I looked up at her face – she was staring intently at the balcony below and biting her bottom lip as the pleasure mounted inside her. Every now and then she would catch my eye, look down at my stiff prick and smile approvingly at me. Once when she did

this, she even winked at me, which almost made me shoot my load instantly!

Before too long, she was closing her eyes, biting her lip even harder and bucking her cunt against her hand as she came, her face flushing red as she did.

When she opened them again she looked down at my still-hard cock and said, "Oh, you haven't come yet. Well we can't have that now, can we?" and with that she came and knelt down in front of me, taking my hand off my cock and replacing it with hers, and gently licking all over my helmet. Then she

took just the tip of my cock in her mouth and swirled her tongue all over it. This holiday was turning out to be the best I'd ever had and I'd hardly left the hotel! The

horny maid's head bobbed up and down over my prick and I sat back and relaxed.

It felt absolutely fantastic!

In no time at all I got the inevitable feeling and gasped, "Oh fuck, you're gonna make me come!"

"Oh yes!" she cried.

"Come on then.

Wank your lovely big cock into my mouth. I fucking love that," she said and she opened her cute little mouth wide and stuck her tongue out. I grabbed my cock and, in just a couple of strokes, my spunk exploded. The first couple of spurts shot right over her face and tits, then she clamped her mouth over the end of my cock and I felt my cream pumping into her hot little mouth. After I took my saliva slick dick out, she opened her mouth again to show me my spunk, made an appreciative murmur, and then gulped it down in one go.

No sooner had she done this she stood up, pulled down her skirt, leant forward and gave me a spunky kiss on the lips, turned on her heels and walked out!

Sadly, this experience wasn't repeated for the rest of the holiday – although it was by no means the last time I saw the horny chambermaid. In fact, the saucy little minx missed no opportunity to visit our room – to bring in fresh

soap, to turn down the beds or whatever – but she always did so when my girlfriend was there, too! She never did anything that might give the game away though; the most I got out of her was a naughty wink or a sexy wiggle of her bum when my girlfriend wasn't looking.

Throughout the rest of our stay, she must have made one of these 'tease-visits' at least three times a day, so much so that my girlfriend filled in the hotel customer survey to say it was the best service she'd ever had in a hotel. And I, of course, couldn't agree more!

**W**e've been holding out for the flaming red-headed Hughes, and on the grapevine, we've heard you have been too. Thankfully the wait is over, and the sumptuous Ella is back with us draped over a very lucky rug! But what has this red-haired beauty been up too since we last met? "Work, work and work! Which I hope hasn't made me dull!" said Ella, with a giggle. I don't think that's possible, your too much fun to start with. "I'll take comfort in that. But seriously that's all I've been up too. No holidays, just the odd party here and there and then the rest of the time I've been in front of the camera, full up to my brim in by some handsome stud!" Sounds like the life of Reilly to us.

**A BIT OF EXTRA CASH FOR A NIGHT'S WORK WAS ALL EMILY WAS EXPECTING WHEN SHE AGREED TO STAY LATE AND FINISH THE JOB OF DRESSING A DEPARTMENT STORE IN TIME FOR OPENING. NOBODY MENTIONED SHE'D BE POPPING HER ANAL CHERRY AND GETTING THE FUCK OF HER LIFE THROWN INTO THE BARGAIN AS WELL!**

In order to do this job for a living you have to expect a little bit of gawping. You can't stand in a window all day, stretching up to the

ceiling, bending over and climbing up ladders to affix bits and pieces of the display, without having all sorts of men stop and admire you. It's pretty obvious really, since there just isn't that many men out there who have a deep and lasting interest in mature women's dresses. In fact, the worst time for gawpers career when I was dressing a kitchen appliance shop window. I hadn't really thought about the realities of my job, and so that morning I dressed in a nice tartan miniskirt, a white blouse and calf

length suede boots. This was when I'd just started as a window dresser and I had ideas coming out of my ears. For this particular display I'd decided to hang all the space age, rocket-like juicers and kettles from the ceiling, so I spent most of the morning standing on a step ladder with my back to the window, bending and stretching to reach the ceiling. It was an hour before I noticed I had an audience but even then I naively thought they were checking out my display, recognising real talent when they saw

it. And then, after I had fixed my final juicer rocket to the ceiling, I looked over my shoulder, halfway up the ladder, to see one old man with his face pressed up against the glass, staring right up my skirt! I learned my lesson quickly and made sure I never wore anything that was too revealing to work again (unless I was feeling especially horny!). But this particular story doesn't take place in a shop front window. I'd been hired by a leading department store in Leeds to dress their women's clothing floor. Well actually I'd been drafted in by a large company who'd been hired to redesign the floor, as they needed extra staff to finish the job quickly. It was the last night before they re-opened and I had volunteered to stay late,

I knew the pay would be good and I didn't have anything else to do that night anyway. As I said goodbye to the last of the other floor dressers, I thought I'd be all alone and able to work at my own pace. The longer I was there, the more they'd have to pay me so I took my time and mucked about a bit. I took a mannequin and waltzed around the floor, twirling round and round, making myself dizzy and laughing as the dummy's left leg kept falling off, dipping the naked dummy and kissing it passionately, pretending to squeeze its arse. "Excuse me, miss," came a voice from behind me. "I don't think that's what they're meant to be used for," it said. Whoever it was

**"I'm going to fuck your pussy, then I'm going to fuck that beautiful arse of yours and then you're going to suck my cock and swallow my come."**

could have been watching me for ages! "Oh, er," words failed me as I whirled round, dropping the mannequin to the floor and tripping over it, stumbling straight into the guy and knocking him to the floor. We fell together and I landed on top of him as if we had just screwed and the mists of sleep were gently enfolding us. It was the security guard, I'd forgotten all about him! He smelled nice and he looked great. My hands were resting on his chest where his muscular build was easily detectable. I felt a sudden moistening in my knickers and was determined to stay in this position for as long as possible.

"Oops, silly me!" I said demurely, tilting my head towards him and looking deep into his eyes. "I was practicing my kissing but I've always felt it's much better to practice on a live specimen."

"Well, you've come to the right man," he said and pressed his lips up to mine. Open-mouthed, we kissed with mounting desire and I felt his cock stiffen beneath me. I pulled away from his embrace and walked my fingers down his chest, to his trousers. "I take it you approve of my technique?" I asked while I slowly unzipped him.

"It's very good, but let's see how good you are at kissing below the waistline," he said as I pulled out his cock. I wanked him slowly, admiring his dick and enjoying the feel of it in my hand. As I tugged on his prick, I could feel my cunt getting wetter and wetter. My lips were opening and my clit was calling for attention so I twisted round and parked my arse next to his face. My sexy guard knew what was going on and turned onto his side, his dick wavering in front of my face. I grabbed his meat and said, "If you want to find out what your cock feels like inside my mouth, I suggest you get a little more acquainted with my tight, wet pussy." With that, I kissed his helmet and wiggled the tip of my tongue over his japseye. Then I rubbed his dick against my lips and cheek, lovingly. As I did this, he unzipped my skirt and pulled it over my hips. He rubbed his large hand against the crotch of my panties, feeling the warmth of my moist twat through the silk. As I gently took all of this stranger's cock into my mouth, making sure I had a

gob full of saliva to make his cock nice and slick and easily suckable, he pulled my damp knickers to one side and firmly grabbed my buttock, using his thumb to probe my gaping wide cunt.

When he thrust his thumb up my snatch, I had to take his prick from between my lips and groan loudly, it felt so good.

**“ He moaned and then I felt his finger, greased with my juices, slip into my arsehole, swiftly followed by his thumb in my cunt.”**

And that's when he flicked his tongue over my ring. I couldn't quite believe it at first, no one has ever done that to me before and, what with my clit dancing to his thumb's rhythm and his cock promising so much in my hand, it was hard to believe that a tongue had just moistened my arse. Then he tickled my ring again, gently probing my arse to see if I was willing. I relaxed and moaned my approval, not daring to do or say any more in case he stopped. His thumb slipped from my hole and began to tap and rub a new tune on

**“As I tugged on his prick, I could feel my cunt getting wetter and wetter. My lips were opening and my clit was calling for attention.”**

stay on your knees, I'm going to fuck your pussy, then I'm going to fuck that beautiful arse of yours and then you're going to suck my cock and swallow all my come. Ready, baby?”

“Yeah, give me some of that sweet tasting cock of yours,” I said, looking forward to some good fucking. He knelt behind me and eased his dick into my greedy pussy, banging his dick in and out at a steady pace and spanking me lightly.

“Yeah, fuck me. Fuck me hard, bang that big dick of yours into my pussy, slap your balls against my clit,” I said, encouraging him to really let me have it.

He spat onto my arsehole and rubbed it in with his finger, then he shoved two fingers up my bum at once and fucked both my holes again, this time alternating his style, pushing with his fingers when he was pulling his dick out and then vice versa. Damn, he was good, I'd only just come and I thought it would be some time before I could orgasm again, but his fucking me like this just made me so hot again that I couldn't stop myself from coming quickly again, banging my arse hard against his thrusts, screaming like a wild animal.

I banged back against him so hard that I brought him to the edge again and he pulled out of my pussy and told me to turn around. I knew what he wanted; I squeezed his balls and took his helmet into my mouth, wanking his dick as fast as I could with my free hand. Then he came, great gushing loads of spunk filling my mouth, his balls twitching in my palm. I swallowed every last drop, it seemed the right thing to do as he'd fucked me like no man had ever fucked me before. We collapsed, exhausted after our surprise shag. Then we realised where we were and what we had just done and the both of us pulled on our clothes quickly.

“Thanks for that babe, you were great,” he said, putting his cap back on, and then he was gone and I never saw him again. But whenever I feel horny and want to wank, it's the memory of our fuck that helps me come as I screw myself with a dildo in both my holes.

my clit, making me buck against him. He was making me so hot I climbed on top of him, urging him to suck on my clitty as I sank my mouth over his prick.

“Oh yeah, suck it down girl,” he moaned and then I felt his finger, greased with my juices, slip into my arsehole, swiftly followed by his thumb in my cunt, and all the while he was licking and kissing and sucking on my clit and pussy lips.

“Oh shit, you're making me come!” I yelled. It was true, his finger in my arse, his thumb up my cunt and his tongue on my clit was so hot, and only ten minutes ago I was prancing around with a shop dummy! I hadn't even got his prick inside my pussy yet and I was already covering him – and me – in my orgasmic mess. I ground myself into him as hard as I could and my orgasm erupted. As I came, I wanked his cock as fast as I could, not even realising that I was doing so, my animal lust taking over and making me pound his dick faster and faster.

“Stop!” he shouted, “I don't want to come till I've fucked you!”

I came round and realised just in time what I was doing. “Sorry, you turned me on so much I completely lost track of what I was doing,” I apologised.

“You liked that, huh?” he asked. “That's what I call the key of love,” and he wiggled his finger and thumb, still stuffed up my arse and pussy, squeezing them together. “Now,

**W**hen we first copped a load of the super-cute Chloe Toy during the shoot for Paul Raymond we knew we wouldn't be able to resist her charms for long, so almost before she'd got home that day we were back on the phone asking if she might be able to fit us into her busy schedule once again, and things never change. She couldn't have been more obliging, and a few days later we were back exactly where we wanted to be – sat a few feet away as the girl herself peeled off her clothes again! Now you might think that as hard-nosed professionals we might get a bit blasé about all this sort of thing, but when it's a girl as sexy as Chloe doing the peeling off, you can be assured that it ain't our noses that are hard – and if anything she seemed to enjoy the whole situation even more than we did. Talk about a match made in heaven – her bod and our eyes!

*The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...*

**E**ver since I was old enough to fuck I've realised that 'dressing sexy' is a sure-fire way of getting laid. So, not only do I buy loads of clothes that accentuate my figure and big boobs, but I always also wear hold-up stockings. Oh yes, and being a proud slut I never wear panties either – for easy access when I get lucky – plus it never fails to surprise the men. It was this no knickers routine that recently helped me enjoy the best orgasm of my life.

I was at a local bar waiting for my now ex-boyfriend, who subsequently never showed up. But just when I was facing the prospect of a sad night without sex, these two fellas came on to me. To cut a long story short, I liked the look of them and invited them back to my flat. Needless to say they accepted immediately, knowing full well that they were in for the easiest fuck of their lives.

Back at mine, the blokes – their names were Tommy and Brian – sat on the livingroom sofa while I fixed them a drink.

When I came back and handed them large vodka and Red Bulls, I sat in an armchair facing them. As we drank and chatted, I idly crossed and uncrossed my legs so that my short skirt began riding higher and higher and the tops of my stockings came into view. Their faces were a picture, especially when I suddenly sat with my legs open and smiled. With my shaven pussy on show, Tommy suddenly said, "You dirty bitch, you're not wearing panties." Honestly, I don't think they could believe my unashamedly slutty behaviour.

They both got up to come over to me, but I stopped one of them in his tracks.

"Easy Brian, you get to watch before you join in." He let out a disappointed groan, but sat back down in the knowledge that he was next. Tommy placed a hand on my thigh and slowly worked it around until it was pushing between my legs. I opened my knees further, so that he could move his hand higher up. Then I looked over at Brian and the bulge in his jeans and said, "I'm looking forward to seeing that beast, big boy... why don't you come over here and play with my tits while I let it out for some air."

So, as Tommy started fingering my pussy, Brian undid my blouse, flipped open the catch on the front of my bra and released my big boobs. I let them fool around for a few minutes, then said, "Okay boys, time for some real action." I pushed them away and shouted,

"Strip!"

With the blokes bollock naked and me only wearing stockings, I stretched out on my back on the carpet and told Brian to straddle my face. He did as I said, dangling his cock so that it brushed against my lips. I grabbed it and greedily stuffed it into my mouth and began sucking on it really hard. Since I was unable to speak, Tommy took the initiative and bumped the head of his massive dick against my pussy entrance. He pushed forward and my lips parted to accommodate his hugeness. I had never been more full of cock in my life. Luckily though, I was so aroused that Tommy had no problem entering me to the max. When his balls made contact with my fanny he pulled back slightly, then started pounding me relentlessly.

**“Swallowing my female lover's cum sent me over the edge and I came for a second time, all over my probing fingers.”**

Quite unexpectedly, Brian suddenly tensed up and shot his load down my throat, groaning loudly as he did so. Tommy had no doubt about what had happened and started really jack-hammering away in my soaking hole.

My pussy squelched as Tommy's cock slammed in and out of me and I felt myself start to tingle all over. Then I started trembling as Tommy fucked me even harder. A split-second later, I lost all control and began slapping the palms of my hands on the carpet as I was overwhelmed by the most unbelievable orgasm I've ever

experienced. With what felt like electric shocks racing around my body, I was on the verge of passing out from pleasure. Then Tommy pulled his cock from my slit and splattered my stomach with spunk.

Suddenly, Brian pushed Tommy out of the way and thrust his still rock hard prick into my soaking pussy. I was still cumming when he did so and it felt amazing. My orgasm gradually subsided, but Brian didn't. No, he kept banging away like there was no tomorrow. I could feel my juices continue to pour from my fanny and pool beneath me, making the carpet soggy. I wanted a change of pace and hole, so I said, "Brian, do you want to fuck my arse?"

He pulled his cock from my fanny in a flash and rolled me over onto my front.

I pushed myself up onto my knees and stuck my arse out in the air. "Come and fuck it then!" I demanded, and braced myself against the armchair. Brian had no trouble feeding the full length of his dick into my bum. I groaned loudly as he stretched me to the max – and even louder when he started pumping me.

My moans were stopped when Tommy suddenly stuffed his hard again prick in my mouth so that I was being spitroasted.

fuck had made me have a monumental orgasm, but the second one... it was absolutely out of this fucking world!

**E**ven though I sometimes play with myself while looking at sexy girls in mags and on porn films, I had never actually had sex with another woman until last weekend. It was so horny that I thought your readers might like to hear about it.

Kirsten is a friend from work and was having trouble with her boyfriend, so I decided to invite her round to my flat for a meal and a few drinks on the Friday night.

She's in her mid 20s, the same as me, but whereas I'm tall, thin and blonde she has a lovely dark complexion, black hair and curves that all the blokes at work drool over.

I must admit, I'm sometimes a bit jealous of all the attention she gets, but then I don't do too badly myself when it comes to attracting the lads.

We were onto our second bottle of wine and sitting on the sofa watching

Unable to move, I simply went with the fuck-flow until the three of us simultaneously exploded in a mess of sweat, spunk and pussy juice. I'd thought the first

some old film on telly when Kirsten suddenly asked if I had any porn DVDs. I was a bit taken aback at first, and pretended I didn't, but she could tell by my giggling that I wasn't telling the truth, so sheepishly I showed her the few hardcore discs I had hidden in the cupboard.

"Oooh, let's watch this one," Kirsten said, selecting *Orgy Babes 3*.

The cover left nothing to the imagination, featuring four naked sluts fucking and sucking a group of guys.

The very thought of watching porn with my friend was starting to get me excited, and I quickly slipped the disc into the machine and we both slumped back on the settee as I fast forwarded to a good bit.

A close up of one girl slurping noisily on a huge dick filled the screen and my pussy moistened immediately.

"Mmmm, that looks good," Kirsten moaned, and thrust her hand between her legs, rubbing the crotch of her jeans as she stared at the sex on screen. This made my pussy even wetter and I, too, pushed my hand in between my thighs and wriggled in my seat so that the zip of my trousers pressed deliciously against my clit.

"Let's do this properly," my friend said, undoing her jeans and pulling them down to her ankles, before sliding her hand down the front of her tight satin panties and jerking her fingers from side to side as the slut on screen took another dick into her mouth. I guess it was the wine taking effect, but I followed Kirsten's lead and yanked down my trousers, remembering too late that I wasn't wearing any knickers.

Kirsten's attention immediately focused on my shaven pussy, and even though I covered myself with my hand she just smiled and stared at my crotch.

"Don't be shy," she purred, and gently removed my hand, exposing the puffy thick lips of my fanny to her gaze. Without saying another word, Kirsten traced the tip of her finger slowly down my slit, easing the lips apart slightly as she did

so.

Suddenly overwhelmed with lust, I leant over and thrust my tongue into Kirsten's mouth, gripping her head with both hands as I kissed her hard. She reciprocated and squirmed her warm soft tongue against mine, her finger pushing up into the wet folds of my fanny. The film was forgotten as I ground my pussy against her hand, yearning for more while I feverishly groped her big firm tits through her T-shirt. Pulling away for a second, Kirsten tore off her top and bra in one swift movement, curving her back and pushing her chest towards me.

I looked at her gorgeous rounded breasts with hard bulging nipples and shoved her back onto the sofa, before dropping on top of her and sucking one teat into my mouth while squeezing the other orb with my hand. Another finger pushed inside me and then another, sinking deep up my tight tunnel as my first climax erupted through my body. Dragging her fingers out of my hole as I came, Kirsten pushed me back and stuck her head between my thighs, expertly lapping the cum from my pussy as it dribbled out, her tongue flicking my clit as she gulped down my juice.

My friend undid my blouse as she continued to suck me, pinching my nipples between her finger and thumb as my orgasm subsided.

Eager to taste another woman's pussy for the first time, I got her to stand and leaning forward, licked the damp patch on

her panties, stretched taut over her mound. The scent of her fanny was intoxicating, and I eased the material down her thighs so I could get at her properly.

Kirsten's legs buckled slightly as I inserted my tongue into her slit. The soft moist interior was so inviting that I worked a finger into her as well, pumping it in and out gently as I continued to suck and lick at her soaking hole.

Her breathing became heavier as I worked her fanny, and she began to grind herself against my mouth. I was able to finger my own pussy as I sucked her and started pistoning two digits nice and hard up myself as her quivering thighs signalled the arrival of her own orgasm.

With a shudder and a growl of pleasure, a torrent of creamy juice spurted down my throat. It was like a guy spunking up there was so much, and I struggled to gulp it down before another load gushed into my mouth.

Swallowing my female lover's cum sent me over the edge and I came for a second time, all over my probing fingers.

Collapsing back onto the sofa with Kirsten on top of me, we lay panting in each other's arms, enjoying the scent of perfume and pussies that enveloped us.

We were soon ready for more and explored each other's bodies into the early hours, before going to bed together for much

**"I pushed myself up onto my knees and stuck my arse in the air 'Come and fuck it then' I demanded, and then braced myself."**

needed sleep.

Our secret affair will hopefully continue as there's a lot I need to learn about sex with a woman.

Luckily for me, Kirsten is an expert teacher!

**W**hat do you think of my business suit? Be honest, it's not really me, is it? I had a really important meeting so I thought I'd make the effort but I couldn't wait to take it off. We were sat in a really stuffy office and I was getting rather hot and bothered. One of the guys I was having the meeting with was absolutely gorgeous and while he discussed certain matters with my manager I went off in a daydream... I dreamt I was laying on the boardroom table fingering myself while the guy was sat in his chair watching. After a while, when I had got myself really aroused, he leaned forward and started eating out my pussy. I was grabbing his head and pulling him closer, begging for more. Then he got his huge cock out and started fucking me really hard, causing me to climax within minutes. Of course, I was rudely woken from my daydream when they both asked my opinion on something. It doesn't matter though, that guy was a porn star and as a result of that meeting, I'll be working with him soon and I'll be wearing what I like best – nothing!

**C**all me old fashioned, but isn't it nice to showcase a sizzling British model? Certain standards might have dropped over the years, but here at Paul Raymond Towers we like to try and maintain a certain level of service, and in keeping with that, allow me to present you to Sophie, who's trekked all the way from the West Midlands to shoot for us! "I'm actually a bit nervous," she confessed when she got here. "Do you think I'm up to scratch?" Hmm, we don't like to nail our colours to the mast too quickly on that sort of thing – perhaps it'd be best if you came back several more times so we can judge that properly...

## 1900 GREAT GALVESTON STORM

On Sept. 8, 1900, a storm swept through Galveston, an island off the coast of Texas. At the time, Galveston was one of Texas's biggest port cities, but a hurricane with 140 mph (225 km/h) winds swept it off the map. It's estimated that 3,600 houses and 600 businesses were reduced to rubble across

1,900 acres (770 hectares), according to the Texas Historical Foundation. Although it remains unclear exactly how many people perished during the hurricane, the final death toll was estimated to be between 6,000 and 8,000 people — one-sixth of the island's population, according to the foundation.

## 2008 SICHUAN EARTHQUAKE

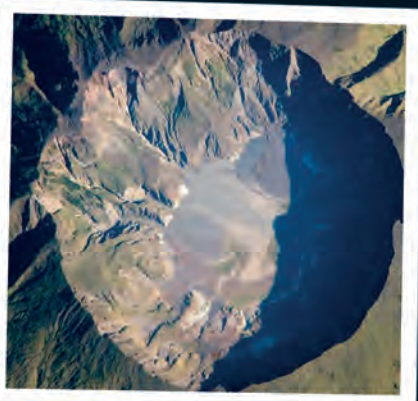

In 2008, a deadly 7.9-magnitude earthquake hit several regions of south-central China. It caused multiple landslides and building collapses that killed almost 70,000 people across Sichuan province, according to the Asian Disaster Reduction Center.

According to research published in the journal *Landslides Hazards, Risks, and Disasters*, the landslides created at least 828 makeshift dams across rivers and streams in the region, which caused widespread flooding. The situation was exacerbated by heavy rainfall before military personnel removed these accidental dams, according to NASA.

## 1815 MOUNT TAMBORA ERUPTION

When the Mount Tambora volcano in Indonesia blew its top on April 10, 1815, it was the climax of the largest eruption in recorded history. It's estimated that 36 cubic miles (150 cubic km) of exploded rock blasted into the atmosphere and could be seen from as far as 808 miles (1,300 km) away, according to NASA.

The explosion expelled so much volcanic ash into Earth's atmosphere that it reduced the amount of sunlight reaching Earth's surface. As a result, the temperature in the Northern Hemisphere at the time, fell by 1 degree Fahrenheit (approx 0.56 degrees Celsius), according to NOAA, and 1816 became known as "the year without a summer." Records indicate that the eruption caused 11,000 immediate

deaths from pyroclastic flows (fast-moving solid lava, hot gas and ash), and a further 100,000 people died from food shortages over the preceding decade caused by the reduction in sunlight, according to NOAA.

## 2005 KASHMIR EARTHQUAKE

On Oct. 8, 2005, Kashmir in Pakistan was hit by a 7.6-magnitude earthquake, according to the Earth Observatory of Singapore. Landslides caused by the earthquake buried several towns and villages, including Balakot and Muzaffarabad. Around 90% of all buildings in Balakot were demolished by the quake. In total, it's estimated that 3 million homes were destroyed throughout Kashmir; more than 75,000 people were killed and a further 100,000 were injured, according to NASA. It's believed that the sudden and rapid release of seismic stress between the Indian and Eurasian tectonic plates was the cause of the earthquake.

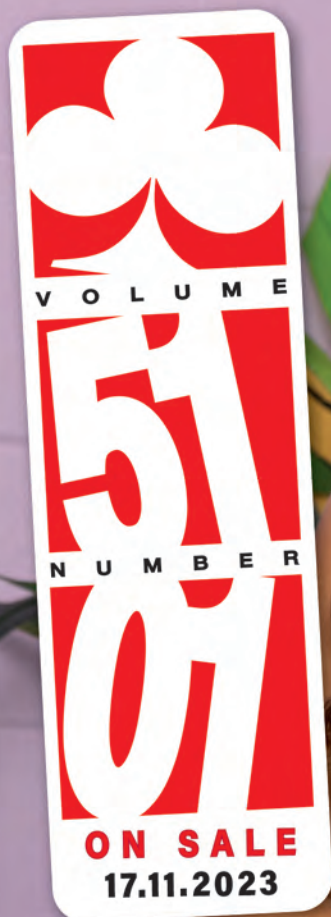

## 1839 CORINGA CYCLONE

Flat-Earth conspiracy theories first arose in the 1950s and have been given an 1839 cyclone changed Coringa in southern India forever. In the early 1800s, this city on the coast of Andhra Pradesh was a bustling port, according to the University of Rhode Island (URI) Graduate School of Oceanography's Hurricanes and Society website. But on Nov. 25, 1839, an enormous tropical cyclone, or typhoon, hit Coringa, causing a 40-foot-high (12 meters) storm surge. Much of the city was wiped off the map, and approximately 300,000 people drowned. Coringa was never rebuilt to its former size.

The destruction at Coringa gave rise to the term that now describes both hurricanes and typhoons: cyclone. According to the URI Graduate School of Oceanography, a British East India Company official named Henry Piddington coined the term after seeing the damage to the once-busy port.
